Selectmen's Report

During the past year the Hancock County Planning Commission assisted by the Town Planning and Citizens' Review Boards completed a Comprehensive Plan for the Town with funds made available under the Federally-funded Coastal Zone Management Program. Copies of the Comprehensive Plan are available at the Town House for those who do not already have them. Coastal Zone Management funds allocated to Brooklin for 1981 will be used to codify the Town's ordinances so they may be more readily available to one and all. A small grant made available by the State Planning Office in 1980 was used to research public access to the shore.

In an effort to conserve the Town's dwindling shellfish resource two new shellfish ordinances were enacted in April 1980 and a Shellfish Conservation Committee comprising seven members was constituted. The Committee, in conjunction with the Dept. of Marine Resources, is working to relieve the pressure of over-digging by limiting the number of commercial licenses and closing designated areas each year.

The State has again informed the Town that the Town dump is not in compliance with existing environmental protection regulations. Just as soon as weather permits, every effort will be made to implement the State recommendations to bring the dump up to standard. The cooperation of everyone is earnestly requested in complying with existing rules governing use of the dump facility.

The Selectmen have continued their efforts to secure Federal and/or State funds to construct a baseball diamond on land acquired by the Town last year. It now appears certain that funds on a 50-50% matching basis will be available. The Soil Conservation Service of the U.S. Dept. of Agriculture has drawn up blueprints for the proposed construction and will undertake the necessary engineering. The Town Recreation Committee has succeeded in raising 10% of the Town's quota through various voluntary projects, and it is hoped the balance can be made available while the prospect of obtaining Federal/State matching funds exists.

Under authority granted by the Town Meeting, the Selectmen made a survey of the Town's street lights and ascertained that at any one time as many as 1/3 of the lights were out of operation. Since the Town is billed monthly on the total number of lights whether or not they are in service, efforts were first made to get the lights operational. When it became apparent those efforts were unsuccessful, the Selectmen requested that all but those lights deemed essential to the public welfare be discontinued in hopes Bangor Hydro can maintain service on a reduced number of lights.

Renovations to the Town House have continued within funds available, but have been plagued by a succession of unexpected delays. The architectural firm that drew up the plans and was supposed to supervise the work, unfortunately went out of business before doing so. Once the project was back on track, and proceeding it was discovered that the roof was structurally unsafe and in danger of collapse. Further time was lost in effecting the necessary repairs, but fortunately the problem was resolved at minimal additional expense thanks to the excellent cooperation of all parties involved in the renovation work. Completion can now be reasonably expected by mid-1981.

At this time, the Selectmen wish to thank all citizens, resident and non-resident alike, for their assistance, advice, and understanding of the ever-increasing complexity of the problems involved in small town administration.

Report of Town Clerk

ANNUAL TOWN MEETING — March 14 and 15, 1980

Lorna Bryant chosen Moderator.

Polls open from 2:00 to 6:00 p.m.

The result of the 162 ballots cast (146 in person; 16 absentee) is as follows:

Selectman, Assessor, Overseer of the Poor (3 yr. term)

Clancy, Mary E. 19

Hanson, Arnold C. 134

Tax Collector

Smith, Madeline M. 157

Town Clerk

Eaton, June 157

Treasurer

Smith, Arlene J. 158

Road Commissioner

Allen, Neil 155

School Committee (2 yr. term)

Poland, Kevin 85

Damon, Carol 67

School Committee (3 yr. term)

Neff, Glenda W. 140

School Committee (3 yr. term)

Brown, Carroll T. 137

The Town Meeting was reconvened March 15 at the Junior High School in the Main Room at 9:00 a.m. Moderator asked that the voters rise and give a standing vote of approval for Gary Wilson's 4 years of service to the Town as Selectman. All stood and clapped in affirmation.

The voters voted to appropriate from surplus \$20,000 for Administration as recommended by Selectmen and voted to appropriate from Federal Revenue Sharing Trust Funds \$12,000 for Winter Roads.

Voted to raise and appropriate for:

Administration \$ 2,500

Winter Roads 11,000

Town Roads and Bridges 4,600

Tarring & Maintenance (tarring stretch of road through Hale's Hill constructed last year) 12,000

Town Dump 2,000

Fire Department 7,000

Trained Firemen's Compensation 3,000

Monitor Pagers (should buy two) 700

Forest Fire Account 300

Fire Truck Capital Reserve Fund 4,000

Voted to transfer \$1,973 presently in the Fire House Addition Account to the Fire Department Account and to accept \$14,655.54 in cash or in kind as a donation toward equipping the Fire Department, this money having been raised by the Brooklin Volunteer Fire Co., Inc. during the years 1977, 78, 79 for the purchase of fire equipment.

Voted to raise and appropriate for Insurance \$5,000.

Voted for Street Lights \$2,500. Voted to authorize the Selectmen to relocate or discontinue certain street lights within the Town of Brooklin. "Appoint a Committee" deleted from article. The general consensus - selectmen capable of deciding, committee

not necessary.

Voted to transfer \$2,000 presently in Clam Conservation Account to the Law Enforcement Account.

Voted to raise and appropriate for Law Enforcement \$2,500. Explanation to query on how used—majority of sum for Clam Conservation. Query—How much Constable paid? Answer—\$3.50 an hour plus 15 cents per mile for travel.

Voted to raise and appropriate for Human Services (Welfare) \$400 to be used for emergency needs—fuel, gas, food. Town reimbursed by State over \$2,000.

Voted to raise and appropriate to pay its share of the cost of Social Security \$3,500.

Voted for the benefit of the Four Town Nursing Service \$900.

Voted for the support of Friend Memorial Library \$2,500.

Voted for Memorial Day \$150. Memorial Day Committee appointed by Selectmen.

Voted to raise and appropriate \$401.62 for participation in the Hancock County Regional Planning Commission.

Voted for Clam Conservation \$100.

Voted to eliminate raising any sum for Civil Defense.

Voted to raise and appropriate for the Contingency Fund \$1000. (Last year's fund used for lawyer and surveying fees).

Voted to raise and appropriate for Hancock County Soil and Water Conservation \$75.

Voted to update Town Maps \$1,500. Question—Why necessary? Gary Wilson answered "to help with the real estate transfers, help to re-plot these on maps." Question—Maps aren't too accurate, any recourse if they're not correct? Answer—Wilson, "We've had a lot of problems with maps prepared by Sewall Co. Anyone having ground survey plans, please bring in to office to help clear up discrepancies."

Voted to raise and appropriate for the renovation of the Town House \$7,000 (to add to the \$5,371 in Building Account after well drilled, Adams Assoc. blueprints, etc.) A request was made for the article to be voted on by paper ballot. Result — Yes 38; No 22.

Voted to authorize the Selectmen to contract for the renovation of the second floor of the Town House provided the cost thereof is paid by Mrs. Doris Wolfers with no expense to the Town other than the use of funds already appropriated and to execute an agreement for these renovations with Mrs. Doris Wolfers that authorizes her to select the contractor or contractors who perform the work.

Voted to accept as a Trust Fund \$300 from Humphrey Wells - the income to be expended for proper care and attention of burial grounds, avenues and monuments in Brooklin Cemetery.

Voted to accept as a Trust Fund \$1,500 from Howard L. and Martha J. Tyler to be expended for proper care and attention of grounds, avenues, etc. in Brooklin Cemetery.

Voted to require that all single family dwellings built after April 1, 1980 be situated on a lot contained a minimum of no less than one acre (43,560 sq. ft.). For condominiums, motels or other multi-family complexes, an additional one-half (½) acre per unit will be required. Furthermore, all other facilities both public and private constructed after April 1, 1980 that require a septic system, be sited on a lot containing a minimum of no less than one acre (43,560 sq. ft.). These provisions shall not apply to a lot in existence on April 1, 1980 of less than one acre. The intent of the above article is to lessen over-crowding and possible contamination of water supplies.

Voted to pass over the article asking that a permit be obtained prior to erection of any building. Suggestion that article be re-written and re-submitted at a future meeting.

Voted to require School Committee to promulgate rules and regulations to govern use of the school buildings. Note: Considerable misuse of the buildings—particularly

the Junior High School prompted this article.

Voted to Authorize Selectmen to dispose of Real Estate acquired by the Town for non-payment of taxes by advertising, sealed bid method, and to execute quit claim deeds for such property.

Voted that taxes be due and payable on the last day of the month in which committed and bear interest at the rate of (12) twelve per cent per year if not paid before October 31, 1980.

Voted to authorize Selectmen to sell and assign unmatured tax mortgage liens for not less than the amount unpaid plus interest costs.

The Ordinance for the Shellfish Digging License had to be passed over because the Marine Resource Commissioner had written Nancy Olson too late to make the modifications necessary for his approval.

The Ordinance for closing certain Flats to the digging of shellfish was approved by the voters. The area closed from April 1, 1980 to April 1, 1981 — "All the shores, flats and waters extending from High Head (Alan Bemis') southeasterly along the Naskeag Shore to the wharf owned by Francis Nichols."

Selectman Nancy Olson asked for a show of hands from the voters as to whether the Voc-Ed dept. should be paid. The Town has raised the amount. Consensus - Until we hear from Attorney General Cohen himself, let's keep the money earning interest!

School Articles:

Voted to authorize School Committee to enter agreements with other towns for exchanging, tuitioning elementary and secondary students up to legal limit for tuitioning.

Voted to the best advantage of the Town with other towns or individuals for transporting secondary students for 1980-81.

Voted to approve the entire school budget \$208,947.

Voted to appropriate the same amount from State-local allocations.

Voted to pass over the unit allocation for costs of Capital Outlay.

Voted to pass over local leeway on recommendation of P. Eaton.

Voted to expend from State-local appropriation, state subsidy and other receipts for 1980, 1981 of \$290,955.

Voted to authorize the School Committee to transfer funds from one account to another if an emergency arises. Such transfers of funds must be made by majority vote of the Committee at a special or regularly called public School Committee Meeting.

The Annual Meeting Adjourned at 4:45 p.m.

A tasty luncheon of turkey pie, green beans, carrots, hot rolls and pickles, cream cake, coffee and tea was served at the noon recess by the Ladies to benefit the Recreation Committee Fund.

Resulting monies to be raised and appropriated:

School Assessment	\$208,947.00
Remainder of Town's Assessment	74,626.62
	<hr/>
	\$283,573.62

SPECIAL TOWN MEETING - April 9, 1980

7:30 p.m. at Bay View Hall

Gary Wilson, Moderator

Voted to raise and appropriate for State Aid Road Construction the sum of \$5,864 as recommended - provided the Legislature votes all or a part of the matching funds.

Voted to authorize the Selectmen and Treasurer to make a temporary loan not exceeding the sum of \$50,000 in anticipation of and to be paid out of current taxes for the municipal year 1980. Note: Such authorization was not used due to the Selectmen's careful eye on expenditures until taxes began coming in.

Voted to raise and appropriate \$550 for participation in the Down East Transportation, Inc.

Voted to enact the Shellfish Ordinance.

Two recommendations were unofficially voted upon:

1. That the Statement of Domicile be used to help ascertain residency of questionable commercial shellfish license applicants.
2. That the Selectmen send a recommendation or suggestion to Ellsworth State Transportation Dept. that they not drag road shoulders removing vegetation so that the road shoulders wash away.

Total to be raised and appropriated at this meeting . . . \$6,414.00.

SPECIAL STATE ELECTION - June 10, 1980

85 Voters

Referendum Question: Shall a bond issue be ratified in the amount of \$8,000,000 for improvements to vocational-technical institutes and the Maine Maritime Academy?

Yes — 53; No — 32.

Republican State Primary:

Representative to Congress	
Snowe, Olympia J. - Auburn	62
State Senate District 28	
Perkins, Thomas R. - Blue Hill	57
Representative to Legislature - District 44:	
Perkins, Alfred W. - Brooksville	57
Register of Probate:	
Lunt, Margaret C. - Dedham	29
Young, Macomber - Ellsworth	28
Sheriff:	
Clark, William F. - Franklin	9
Hutchins, Lewis P. - Blue Hill	49
Larson, Peter C. - Aurora	6

Democratic Primary:

Representative to Congress:	
Silverman, Harold L.	12
Sheriff:	
McDevitt, Reginald - Lamoine	7

Civil Defense Report

1980

The Civil Defense Agency is becoming more active in the Hancock County area as well as throughout the state. This past year Director Merritt P. Fitch calls me every second and fourth Wednesday of each month for radiological readings.

In 1977 I took a three-hour course in Radiological Monitoring in Ellsworth which is keeping track of how many radioactive particles are hitting us and the earth each minute.

During 1978 I took a home study course called Civil Defense, U.S.A. This course was to introduce Civil Emergency Preparedness to local directors such as myself.

Today civil defense is coordinating to national disasters as well as to nuclear disasters. Lately I've been receiving a lot of information on Energy Emergencies, which is understandable with the unstable situation in the Middle East. As for the national disasters, the potential hazards facing this area are hurricanes, winter storms, floods (in some areas), and forest fires; also fall-out from nuclear disasters and forest fires.

The staffing of the town is as follows:

Director — Michael Allen
Public Works — Neil Allen
Fire — Carroll Kane
Police — Edward Snellings
Health — Charles Williams
Welfare — Arnold Hanson
Communications — Robert Wallstrom
Radiological Officer — Michael Allen

In closing, if anybody has any ideas, information, or would like to help in coordinating Civil Emergency Preparedness (Civil Defense) for the town of Brooklin, I will be more than happy to listen. Also, if I can be of help in giving information, I'll be more than happy to assist.

Respectfully submitted,

MICHAEL ALLEN
Civil Defense Director

Memorial Day Report — 1980

Brooklin Burial Grounds: —

There are six cemeteries in the town where veterans are buried; Brooklin Cemetery, Naskeag Cemetery, North Brooklin Cemetery, a Cemetery lot across from Chester Flye's which has two veterans - John H. Anderson, date unknown, G.A.R., Co. Lt. 16th Maine Inf. and Joshua A. Herrick, 1815, Revolutionary War veteran. There is a cemetery at Goddards on Naskeag - William Gray, date unknown, G.A.R., and one at Sly's or Twitchall's at Hill Side Colony Road - Joseph Freethy, 1838, Revolutionary War veteran. He was in the service 1777-1780. There are 62 veterans buried at Brooklin Cemetery.

There are 62 veterans buried at Brooklin Cemetery. There are 18 veterans buried at North Brooklin Cemetery. There are two veterans buried in a lot across from Chester Flye's, and there is one veteran buried at the Sly's cemetery. There are nine veterans buried at Naskeag Cemetery.

A total of 93 veterans are buried in Brooklin burial grounds.

Respectfully submitted,

MICHAEL P. ALLEN

Shellfish Conservation Committee

Upon adoption of the Shellfish Conservation Ordinance and the Ordinance for closing certain flats at the April 9, 1980, Special Town Meeting, a Shellfish Conservation Committee consisting of seven members was appointed by the Board of Selectmen to serve until the March 1981 Town Meeting. Appointed were: Chris Carter, Carroll Kane, Albert Bridges, Don Gray, Elwood Carter, Ted Snellings, and Fred Chase.

At the first meeting Chris Carter was elected chairman, and it was resolved that the Committee would work conscientiously for conservation of the Town's dwindling shellfish resources. Toward that end the Committee met twice with State Department of Marine Resources marine biologist Malcolm Richards for advice and assistance. The Town Constable, who is a member of the Committee, was requested to patrol the Town flats daily to ensure compliance with the two ordinances and particularly with respect to the designated closed area.

Although 80 commercial licenses were issued during 1980-81, the Committee on the basis of the first year's experience under present Ordinances unanimously resolved to recommend 60 commercial licenses as a more realistic limit for 1981-82.

It was further resolved subject to approval by the Dept. of Marine Resources to increase the limit on hen clams/surf clams to $\frac{1}{2}$ bushel for non-commercial diggers and 1 bushel for commercial diggers. It was recommended that the present limit on softshell clams remain in force.

The Committee has requested that a survey of the Town flats be undertaken in conjunction with the Dept. of Marine Resources to guide the Committee in its conservation efforts. Especially needed are 2" rings to permit enforcement of the 2" rule.

The present ordinances provide a common sense basis for conserving and managing this valuable natural resource, and the Committee believes it has made a good start in that direction.

Steamer Wharf at Haven 1920's.

Mayo's Sardine Factory at Naskeag Point in 1927.

The Four Town Nursing Service, Inc.

TO THE SELECTMEN AND CITIZENS OF THE TOWN OF BROOKLIN:

The Four Town Nursing Service is pleased to present its 49th Annual report covering the calendar year 1980.

The services we offer are as follows:

	Visits
Skilled Nurse	4,266
Homemaker/Home Health Aide	3,561
Physical Therapist	366
Social Worker	85
Speech Therapist	39
Psychiatric Nurse	70
No fee paid visits	245
Miles travelled	156,354

Based on an average length of stay of 144 days, the cost per average case is \$586.03, and cost per calendar day is \$4.19. We also had 292 $\frac{3}{4}$ hours of Homemaker visits which were not reimbursable.

In 1980, we found ourselves busier than ever. This year 8,387 home visits were made and 156,354 miles were travelled.

Many individuals are seriously concerned with the possibility of failing health leading to hospitalization or nursing home care. Our Agency has been thanked repeatedly by grateful families for enabling their relatives to be cared for at home. We are bringing the community a form of health care that only Four Town Nursing can provide.

As we approach our 50th Anniversary our quality of care has not changed although our growth has been tremendous. We still provide care to all who need it, regardless of ability to pay.

We still have to rely on the communities we serve to help us finance our many programs. We are very grateful for your continuing support.

Respectfully submitted,

SHEILA CASSATT
President

To the Citizens of the Town of Brooklin:

It is a pleasure to submit this annual report for the School Department to the citizens of the town of Brooklin. Included in this 1980 report are data on enrollment, tuition and financial data, and information on the status of the schools.

Enrollment and Tuition Data

The Brooklin grades 2-8 program enrolled 123 pupils. Of these 48 live in Brooklin. Sedgwick tuitions 76 pupils to Brooklin at a 1980-81 tuition rate of \$1,224.00 per pupil. Brooklin enrolls 8 pupils in Sedgwick at no tuition charge because the two School Committees have agreed to exchange an equal number of pupils without paying for tuition for the pupils so exchanged.

Seven Brooklin pupils are enrolled at Deer Isle-Stonington High School at a 1980-81 tuition rate of \$1,395.00 per pupil; 27 high school pupils attend George Stevens Academy at a 1980-81 tuition rate of \$1,590.00 per pupil; one pupil is enrolled at Maine Central Institute at a tuition rate of \$1,680.12, and one student attends Phillips Exeter Academy, Exeter, N.H. at tuition of \$1,590.00. Tuition rates are set by the receiving schools up to a maximum amount which is determined by the State's average tuition rate.

Comparison of 1979-80 and 1980-81 Enrollments and Tuition

Brooklin students are enrolled in the following schools:	1979-80	1980-81
Sedgwick Sub-Primary and Grade 1	12	8
Brooklin Grades 2-8	45	48
Deer Isle-Stonington High School	8	7
George Stevens Academy	24	27
Maine Central Institute	1	1
Philips Exeter Academy	1	1

The amount of Tuition charged for each student is:

Sedgwick	Even exchange of equal number of pupils; no tuition paid	
Deer Isle-Stonington High School	\$ 1,175.00	\$ 1,395.00
George Stevens Academy	1,465.00	1,590.00
Maine Central Institute	1,464.00	1,680.12
Phillips Exeter Academy	1,300.00	1,590.00

Program and Facilities

The Brooklin Junior High School continues to operate using a departmental organization in the areas of language arts, mathematics, science and social studies. The elementary school continues to offer its educational program in self-contained classrooms. Students receive art and music one period each week at both schools. At the Junior High level, chorus is available one period each week for students wishing to participate. Students with learning problems receive additional help from Tony Aman, Brenda Monteith, or Susan Steed. Four Town Nursing Services continues to provide health services to the students.

The curricula guides are being followed in the areas of language arts, mathematics, science, and social studies. The guides list skills and concepts that are taught in each subject and at each grade level. Currently revisions are being considered in the areas of reading and science.

A Student of the Month award is made on a monthly basis. Academic awards are made annually for the Most Improved Student, Highest Academic Average, and Highest Class Average.

A successful basketball program is being offered to all students who wish to participate in grades 5-8.

With some exceptions, the condition of the school building appears to be very good. The School Committee is considering installing storm windows on the remaining windows and correcting the condition of the gym floor. New equipment was purchased this year for the kitchen. A new freezer and electric stove were purchased utilizing 75% federal and state funds and 25% local funds. The equipment was given a thorough testing with a family style Thanksgiving meal hosted by the staff and several parents.

The cooperation and communication between the Brooklin and Sedgwick School Committees have been helped by including one voting representative on each School Committee from the other School Committee. A committee composed of community representatives from both towns and the two School Committees have developed a recommendation to change the present Union School Agreement. The changes include having one School Committee composed of three members from each town to oversee the total elementary educational program in both towns, to change the cost sharing to a method based on the number of students educated (if Brooklin has 34% of the students, Brooklin would be responsible for 34% of the costs) and to permit either town to withdraw from the agreement when the majority of voters in that town votes to withdraw.

When working on a solution to any situation between two individuals, both must accept the solution in order for it to work. In the same way, both Committees are recommending to you a solution which the Committees believe is in the best interest of both towns and the students living in those towns.

I wish to thank the Brooklin School Staff and Committee for their support to me and the educational program. A special word of thanks is given to Mary Blackmore and Velma Cassidy for their help in administering the School Union.

Respectfully submitted,

RODNEY P. HATCH
Superintendent

RULES GOVERNING USE OF TOWN DUMP BROOKLIN, MAINE

- 1 Combustible material consisting of paper, food garbage and other rubbish which can be burnt in the incinerator must be in one container.
- 2 Non-Combustible material consisting of bottles, cans, etc. which will not burn must be put in another container.
- 3 Brush, wood, etc., must be placed in the area designated by the Custodian if too large to be burnt in the incinerator.
- 4 The Custodian shall have the authority to direct disposal of all materials at the Dump and to refuse to accept anything which does not conform with these rules.
- 5 The Dump shall be open on Saturdays and Wednesdays from 8:00 a.m. until 3:30 p.m. effective June 1, 1977
- 6 This Dump is restricted for Use of Brooklin residents and all property owners. Any person renting or leasing property in Brooklin, must show such proof to the Custodian who in turn will verify this information with the Selectmen.
- 7 A DUMP STICKER is required for entrance into the dump as of June 1, 1977. This sticker must be placed on the right hand side of the front bumper (being the driver's side). They are available at the Town Office, Brooklin post office or the Dump Custodian or by request thru the mail.

BECAUSE of the State and Federal requirements, the Town of Brooklin is only allowed to have the dump open for just 2 days — otherwise, the dump will be closed by the Environmental Protection Agency.

Please help us keep our variance for OPEN BURNING for the EPA by following these rules.

Thank you —

Board of Selectmen
Town of Brooklin
Brooklin, Maine

Gentlemen:

We have examined the financial records of the Town of Brooklin, Maine for the year ended December 31, 1980. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and related statements present fairly the financial position of the Town of Brooklin, Maine as at December 31, 1980, and the results of its operations for the year then ended, in accordance with generally accepted principles of municipal accounting.

Gray, Horton & McFarland

(Recommended: per Friend Memorial Library) \$ 2,500.00
(Recommended: per Selectmen) \$ 2,000.00
- 26 To see what sum, if any, the Town will vote to raise and appropriate for Memorial Day.
(Recommended: per Selectmen) \$ 100.00
- 27 To see what sum, if any, the Town will vote to raise and appropriate to purchase new Town Maps.
(Recommended: per Selectmen) \$ 1,000.00

- 28 To see if the Town will vote to raise and appropriate the sum of \$401.62 for participation in the Hancock County Regional Planning Commission.
- 29 To see what sum, if any, the Town will vote to raise and appropriate for Clam Conservation for the ensuing year.
(Recommended: per Selectmen) \$ 100.00
- 30 To see what sum, if any, the Town will vote to raise and appropriate for Civil Defense for the ensuing year.
(Recommended: per Selectmen) 0
- 31 To see what sum, if any, the Town will vote to raise and appropriate for the Contingency Fund for the ensuing year.
(Recommended: per Selectmen) \$ 1,000.00
- 32 To see what sum, if any, the Town will vote to raise and appropriate for the use of the Hancock County Soil and Water Conservation.
(Recommended: per Selectmen) \$ 75.00
- 33 To see if the Town will vote to accept as a Trust Fund the Edith A. Farnsworth Cemetery Trust, the income to be expended for proper care and attention of the burial grounds and the avenues and monuments thereon.
- 34 To see if the Town will vote to authorize the Selectmen to accept Federal and/or State matching funds for recreation facilities provided said local matching funds are not raised by local taxation.
- 35 To see if the Town will vote to accept funds raised by the Recreation Commission and authorize the same to be used on Town owned property.
- 36 To see if the Town will fix a date when taxes shall be due and payable and rate of interest to be paid on all unpaid taxes (Real and Personal). Recommended: The taxes shall be due and payable on the last day of the month in which committed to the Collector for collection and shall bear interest at the rate of eighteen per cent per year if not paid before October 31st, 1981.

- 37 To see if the Town will authorize the Selectmen in behalf of the Town to sell and dispose of any Real Estate acquired by the Town for non-payment of taxes thereon by first advertising and then by the sealed bid method and to execute quit claim deeds for such property.
- 38 To see if the Town will authorize the Selectmen to sell and assign unmatured tax mortgage liens for not less than the amount unpaid and interest and costs.
- 39 To see if the Town will vote to enact the following Ordinance:

SHELLFISH CONSERVATION ORDINANCE

Town of Brooklin

1. **Authority:** This ordinance is enacted in accordance with 12 M.R.S.A. Section 6672.
2. **Purpose:** To establish a shellfish conservation program for the Town of Brooklin which will insure the protection and optimum utilization of shellfish resources within its limits. These goals will be achieved by means which may include:

- A. Licensing
- B. Limiting the number of shellfish harvesters
- C. Restricting the time and area where digging is permitted
- D. Limiting the minimum size of clams taken
- E. Limiting the amount of clams taken daily by a harvester

3. **Shellfish Conservation Committee:** The Shellfish Conservation Program for the Town of Brooklin will be administered by the Shellfish Conservation Committee consisting of seven members to be appointed by the Selectmen for a term of one year.

The Committee's responsibilities include:

- A. Establishing annually in conjunction with the Department of Marine Resources the number of shellfish digging licenses to be issued;
- B. Surveying the clam flats to maintain current information on shellfish resources;
- C. Submitting to the Board of Selectmen proposals for the expenditures of funds for the purpose of shellfish conservation;
- D. Keeping this ordinance under review and making recommendations for its amendments;
- E. Securing and maintaining records of shellfish harvest from the town's managed shellfish areas and closed areas that are conditionally opened by the Department of Marine Resources;
- F. Recommendations to the Board of Selectmen in conjunction with the Area Biologist of the Department of Marine Resources of conservation closures and openings to optimally utilize the resources;
- G. Submitting an annual report to the Municipality and the Department of Marine Resources covering the above topics and all other committee activities.

4. **Definitions:**

- A. **Resident:** The term "resident" refers to a person who has been domiciled in this municipality for at least three months next prior to the time his claim of such residence is made.
- B. **Nonresident:** The word "nonresident" means anyone not qualified as a resident under this ordinance.
- C. **Shellfish:** The word "shellfish" means soft shell clams, *Mya arenaria*; and hen clams, or surf clams, *Spisula solidissima*.

D. Municipality: Refers to the Town of Brooklin, Maine.

5. Licensing: Municipal Shellfish Digging License is required. It is unlawful for any person to dig or take shellfish from the shores and flats of this municipality without having a current license issued by this municipality as provided by this ordinance.

A Commercial Digger must also have a valid State of Maine Commercial Shellfish License issued by the Department of Marine Resources.

A. Designation, Scope, and Qualifications:

1). Resident Commercial Shellfish License: The license is available to residents of the Town of Brooklin and entitles the holder to dig and take any amount of soft shell clams and no more than one bushel of hen clams from the shores and flats of this municipality and reciprocating municipalities.

2). Nonresident Nonreciprocating Commercial Shellfish License: The license is available to nonresidents of this municipality and entitles the holder to dig and take any amount of soft shell clams and no more than one bushel of hen clams from the shores and flats of this municipality.

3). Resident Recreational Shellfish License: The license is available to residents and nonresident real estate taxpayers of this municipality and entitles the holder to dig and take no more than one peck of soft shell clams and 1/2 bushel of hen clams in any one day for the use of himself and his family.

4). Nonresident Nonreciprocating Recreational Shellfish License: The license is available to any person not a resident of this municipality and entitles the holder to dig and take not more than one peck of shellfish in any one day for the use of himself and his family.

5). License must be signed: The licensee must sign the license for it to be valid.

B. Contents of the Application: Any person may apply to the Town Clerk for the licenses required by this ordinance on forms provided by the municipality.

1). Contents of the Application: The application must contain the applicant's name, current address, birth date, height, weight, signature and whatever other information the municipality may require.

2). Misrepresentation: Any person who gives false information on a license application will cause said license to become invalid and void.

C. Fees: The fees for the licenses are as stated below and must accompany in full the application for the respective license. The Town Clerk shall pay all fees received to the Town Treasurer except for fifty cents (.50c) for each license which will be retained by the clerk as payment for issuing the license. Fees received for shellfish licensing shall be used by the town for shellfish management, conservation, and enforcement.

Resident Commercial: Ten dollars (\$10.00)

Nonresident Nonreciprocating Commercial: One hundred dollars (\$100.00)

Resident Recreational: Three dollars (\$3.00)

Nonresident Nonreciprocating Recreational: Thirty dollars (\$30.00)

D. Limitation of Diggers: Because the shellfish resources are limited and because a commercial or recreational digger can be expected to harvest a certain volume of clams per year, the number of diggers must be controlled. This number will vary from year to year depending upon estimates of the resource capabilities and management requirements consistent with good utilization. The following procedures will be followed to exercise the control:

1). Prior to January 1 the Town Shellfish Conservation Committee with the approval of the Commissioner of Marine Resources will establish the number of commercial or noncommercial licenses to be permitted.

2). The Shellfish Conservation Committee will notify the Town Clerk in writing prior to February 1 of the number of licenses to be issued. No reservation will be accepted.

3). The Town Clerk shall issue Commercial licenses to residents only until **June 1**

after which licenses shall be issued to residents and nonresidents on a first-come first-served basis.

E. License Expiration Date: Each license issued under authority of this ordinance expires at midnight on the 31st day of March next following date of issue.

F. Reciprocal Harvesting Privileges: Licensees from any other municipality co-operating with this municipality on a joint shellfish management program may harvest shellfish according to the terms of their licenses.

6. Opening and Closing of Flats:

The Municipal Officers, with the approval of the Commissioner of Marine Resources, may open and close areas for shellfish harvest. Upon recommendation of the Shellfish Conservation Committee and concurrence of the Department of Marine Resources area biologist that the status of the Shellfish resource and other factors bearing on sound management indicate that an area should be opened or closed, the Municipal Officers shall call a public hearing on ten-days' notice published in a newspaper having general circulation in the Town, stating the time, place, and subject matter of the hearing, and shall send a copy of the notice to the Department of Marine Resources. The decision of the Municipal Officers made after the hearing shall be based on finding of fact.

7. Penalty: A person who violates this ordinance shall be punished as provided by 12 M.R.S.A. Section 6671 (9).

8. Effective Date: This ordinance, which has been approved by the Commissioner of Marine Resources, shall become effective after its adoption by the municipality provided a certified copy of the ordinance is filed with the Commissioner within seven days of its adoption.

9. Separability: If any section, subsection, sentence or part of this ordinance is for any reason held to be invalid or unconstitutional, such decisions shall not affect the validity of the remaining portions of this ordinance.

10. Repeal: Any ordinance regulating the harvesting or conservation of shellfish in the town and any provisions of any other town ordinance which is inconsistent with this ordinance is hereby repealed.

11. Minimum legal size of soft shell clams: It is unlawful for any person to dig or take soft shell clams from the shores or flats of the Town of Brooklin, Hancock County, Maine, which are less than two (2) inches in the longest diameter to the amount of more than 20% of any lot.

1). Definitions: The word "lot" as used in this ordinance means the total number of soft shell clams in any bulk pile. Where soft shell clams are in a box, barrel or other container, the contents of each box, barrel or other container constitute a separate lot.

2). Method of determining tolerance: The tolerance of 20% must be determined by numerical count of not less than one peck nor more than four pecks, taken at random from various parts of the lot, except that the tolerance must be determined by numerical count of the entire lot when the lot contains less than one peck.

3). Penalty: Whoever violates any provision of this ordinance shall be punished as provided by 12 M.R.S.A. Section 6671 (9).

- 40 To see if the Town will vote to enact the following Ordinance:

**ORDINANCE FOR CLOSING CERTAIN FLATS
TO THE DIGGING OF SHELLFISH**

Section 1. It is unlawful for any person to dig or take any shellfish from any of the shores, flats or waters of this Municipality in any area which is closed to such digging or taking under the provisions of this ordinance.

1. Definitions. The following words as used in this ordinance have the meaning indicated after each, unless a different meaning is clearly intended by the context.

A. Municipality. The word "Municipality" means the Town of Brooklin, in the County of Hancock and the State of Maine.

B. Shellfish. The word "Shellfish" means soft shelled clams, quahogs, surf clams and/or hen clams.

2. The following described area within this municipality is closed to all digging or taking of shellfish from the first day of June, 1981 until the first day of January, 1982.

All shores, flats and waters extending from the end of Harriman Point westerly to the stream at the head of Allen Cove.

3. Penalty. Whoever violates any provision of this Ordinance shall be punished by a fine as provided by Title 12, M.R.S.A. section 6671, subsection 9.

4. Effective Date. The ordinance becomes effective immediately after its adoption by this municipality, provided a certified copy, as approved by the Commissioner, is filed with the Commissioner within seven days of enactment.

- 41 To see if the Town will vote to enact the following Ordinance:

HAZARDOUS WASTE ORDINANCE

Section I: TITLE

This Ordinance shall be known as the Hazardous Waste Ordinance of the Town of Brooklin.

SECTION II: AUTHORITY

This Ordinance is adopted pursuant to the home rule power granted to all municipalities under the Constitution, Article VIII-A and Title 30 MRSA, Chapter 201-A, Section 1917.

SECTION III: PURPOSE

The purpose of this Ordinance is to protect the health, safety and general community well-being and to protect the natural resources of the Town.

SECTION IV: STORAGE AND DISPOSAL PROHIBITED

The disposal or storage of hazardous wastes as designated under the 'U.S. Clean Water Act, Section 311, Public Law 92-500' and/or the disposal or storage of radioactive waste materials as defined by '38 MRSA, Section 361-D.I.B', within the boundaries of the Town of Brooklin, Maine is prohibited.

SECTION V: EXCEPTIONS

Any request for an exception to this prohibition shall be submitted in writing to the Selectmen and brought to the whole Town of Brooklin, acting as the body politic, to be voted on by all bona fide voters present in a Town Meeting.

SECTION VI: PENALTY

Any person to be found in violation of this Ordinance shall be subject to a fine of not more than one thousand dollars (\$1,000) and not less than two hundred and fifty dollars (\$250.00) for each offense. Each day in which a violation occurs shall constitute a separate offense.

- 42 To see if the Town will vote to authorize the Selectmen to fill the swimming pool as clean material becomes available, at no cost to the town.
- 43 To see if the Town will vote to raise and appropriate the sum of \$4,500.00 to match a State/Federal grant of \$5,000.00 to construct the Brooklin Ballfield.
- 44 To see if the Town will vote to raise and appropriate the sum of \$550.00 for Downeast Transportation Inc.
- 45 To see what sum the Town will vote to raise and appropriate for State Aid Construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Title 23, MRSA, Sections 1101, 1103, & 1104.
(Recommended: per Selectmen) \$ 6,928.00
- 46 To see if the Town will vote to authorize the School Committee to enter into agreements with other towns for the 1980-81 school year for exchanging and/or tuitioning elementary and secondary students up to the legal limit established by the Maine Revised Statutes for the education of its elementary and secondary students.
- 47 To see if the Town will vote to authorize the School Committee to enter into agreements, to the best advantage of the town, with other towns and/or individuals for the 1980-81 school year for transporting secondary students.
- 48 To see what sum the town will appropriate from the unit allocation and other revenues for the costs of Administration. (Recommended).
- 49 To see what sum the town will appropriate from the unit allocation and other revenues for the costs of Instruction. (Recommended).
- 50 To see what sum the town will appropriate from the unit allocation for the costs of Attendance and Health. (Recommended).
- 51 To see what sum the town will appropriate from the unit allocation for the costs of Transportation. (Recommended).
- 52 To see what sum the town will appropriate from the unit allocation for the costs of Operation and Maintenance of Plant. (Recommended).

- 53 To see what sum the town will appropriate from the unit allocation for the costs of Fixed Charges. (Recommended).
- 54 To see what sum the town will appropriate from the unit allocation for the costs of Food Service. (Recommended).
- 55 To see what sum the town will appropriate from the unit allocation for the costs of Student Activities. (Recommended).
- 56 To see what sum the town will appropriate from the unit allocation for the costs of Capital Outlay. (Recommended).
- 57 To see what sum the town will appropriate from the unit allocation for the costs of Outgoing Transfers-Tuition. (Recommended).
- 58 To see what sum the town will appropriate from the unit allocation for Contingency. (Recommended).
- 59 To see what sum the town will appropriate from the state-local allocation for school purposes (Recommended) and to see what sum the town will raise as the local share (Recommended).
- 60 To see what sum the town will appropriate from local leeway for school purposes (Recommended total , local share , state share), and to see if the town will raise the local share of
- 61 To see what sum the town will authorize the School Committee to expend for the 1980-81 school fiscal year from the state-local allocation, unexpended balances, local appropriations, state subsidy, and other receipts for the support of the schools. (Recommended).
- 62 To see if the town will authorize the School Committee to transfer funds from one account to another if, in their opinion, an emergency need arises. Such transfer of funds must be made by a majority vote of the School Committee at a special or regularly called public School Committee meeting.

The Registrar hereby gives notice that she will be in session at the Brooklin Town House for the purpose of correcting the list of voters at one o'clock in the afternoon of the day of the Meeting of Elections.

Dated at Brooklin this 12th day of February A.D. 1981.
